Re: Benjamin v. Carusona
11 Civ. 6120 (JFB)

Dear Judge Bianco:

We represent plaintiff and write, pursuant to the Court's direction, to provide a report on the status of settlement negotiations.

The settlement negotiations have proceeded and the documentation has been circulated to all parties for their review. The parties are hopeful that a settlement can be achieved and all parties join in the request that plaintiff's motion for leave to file the Third Amended Complaint be marked off-calendar. We will report to the Court if the parties are successful in resolving the litigation in the coming weeks.

Respectfully submitted,

A handwritten signature in dark ink, appearing to read 'Joel C. Feffer', is written over the typed name.
